## The Muriel Robinson Bursary – Application Form 2019/2020

*If you are under 18, all sections should be completed by a parent or guardian.*

A bursary of up to £250 is available from The NYHO to aid a player's musical studies. (This could be for the purchase of strings, lessons, participation in masterclasses, exams etc.) The amount will be paid directly to the supplier on behalf of the recipient, rather than the recipient themselves. There are a limited number of bursaries and therefore The NYHO cannot guarantee every applicant will receive financial support, but wherever we are able to support a case of genuine need, we will try to do so. Bursaries are awarded on an individual basis. In order to qualify for the award the recipient must be having regular harp lessons, and commit to all NYHO rehearsals and concerts throughout the year.

Please return the completed Bursary Application form to:
